

NHBP HEALTH CLINIC UPDATES:

Please be advised that the following has been implemented for the protection of patients and staff until **April 6, 2020**:

- All groups and programming are canceled.
- All Dental services have been suspended.
- Behavioral Health services will continue via telehealth.
- Maternal Child appointments will continue via telephone calls.
- In collaboration with Membership Services and Housing, Community Health staff will be making telephone calls and completing errands for those most at risk.

Medical Services will continue with the following adjustments:

- No walk-in appointments
- All individuals requesting medical care must call ahead
- All calls are being directed to the medical staff

Medical Transports will continue with the following adjustments:

- All individuals are being screened
- Confirmation must be received that the medical appointment is still proceeding by the provider

For more information please contact NHBP Health and Human Services Department at 269.729.4422.

NHBP HEALTH @ FIREKEEPERS:

Please be advised that the following has been implemented for the protection of patients and staff until **further notice**:

The clinic in FireKeepers Casino Hotel is closed.

- All well visits and non-urgent appointments are canceled. Staff will be rescheduling those for a later date.
- If you are wanting to be seen or have medical questions you must call 269.704.8304 and be evaluated by medical staff over the phone. They will then give you further instructions.
- If you are scheduled for an in-person appointment staff may be wearing - masks, gowns, gloves and eye protection. We don't want you to be concerned by this, it is just a precaution.
- Some visits may occur in the parking lot of the Pine Creek Health Facility. Staff will give you full instructions. You may be asked to wear a mask, which will be given to you by staff if you do not have one at home.
- We are wanting to complete as many visits as possible by phone. This protects you and your healthcare team.

For more information please contact NHBP Health and Human Services Department at 269.729.4422.
